## You're Invited To The SVTOS PICNIC

### SATURDAY, AUGUST 21

The annual SVTOS Picnic will be held on Saturday, August 21, 2010, at the home of Dusty and Barbara Miller, 10 Wineberry Drive, in Mechanicsburg (directions below). Gathering and Open Console begins at 2:00 PM. Food will be served around 5:00 PM.

Bring your music and a dish to share. Most needed will be salads, chips, desserts, soft drinks and some extra beer. Hamburgers and hot dogs will be provided. The Miller's have an Allen MDS 212 with MIDI. Don Kinnier says he can bring a keyboard. If past picnics are any indication you'll enjoy good music, good food and good fellowship!!

**Please call ahead so we'll know how many to plan  
for: 717-795-2775**

#### Directions:

**From Camp Hill** go south on US 15 toward Gettysburg. A mile or so past the Turnpike, take the exit for PA 114, Mechanicsburg. Turn right on 114 and right again at the light onto Gettysburg Rd. In less than half a mile, look for a narrow road to your left called Mayfield—directly across from Stauffer's. Turn left on Mayfield and take your first left onto Wineberry. The house is on the right at the top of the rise.

**From York** take I-83 north and either the Turnpike or PA 581 to US 15 South and follow the directions above. From Lancaster take PA 283 north to Harrisburg and then the Turnpike or I-283 and I-83 to PA 581 to US 15 South. From Reading or Carlisle, you can use the PA Turnpike. Take the exit for Gettysburg and go south on US 15 about one mile to the PA 114 exit.

### From a 'Dusty Corner'

I got an email from a member the other day asking why we don't open our showcase meetings to the public. "I think you are doing yourselves a big disservice by not opening your concerts at the Capitol in York to the public," she wrote. "There are many people in this area who would be more than willing to pay for a good organ concert ..."

Here is my reply. In it there is a very important question for all members. "We would LOVE to have open-to-the-public programs," I said. "In fact, that is one of our main goals. The reason we don't is because it costs too much. Some of the costs include: Advertising, ticket sales, theatre rental and salaries for a house manager and two technicians (all required by insurance or contract) not to mention the artist fee and travel. The total is over \$5,000. Even 400 people at \$10 or \$12 would not cover it.

"Now that we are a non-profit, we hope to solicit donations and sponsorships enough to do an open-to-the-public concert at least once a year. We have begun planning to have one in October, 2011. And we're hoping members like you will help us pull it off ... will you??"

Larry Fenner and Barry Howard have agreed to head the effort. I'm counting on this member—and many more—to come forward to help. We need people to stuff and mail fund raising letters. To make calls to follow up the letters. To solicit sponsors and ads in a concert program. We'd like to see many members buy a small block of tickets and either sell them or invite friends. How about it?? Don't wait for us to tap you on the shoulder. Call me or Larry and Barry today: 771-795-2775 or 717-274-2254.

In the meantime, we will continue to hold our meetings on the second Monday ... some featuring great area artists like Michael Xavier Lundy. Hope to see you there.

Have a great summer, Dusty

On behalf of the board, members, friends and the Capitol Theatre, we congratulate all of you!

Your chapter is greatly indebted to all of you for presenting your craft (which we all fell in love with) to the public. I'm sure, all those who came before, are so thankful you're carrying the torch of the Theatre Pipe Organ. So much of our history has been lost forever.

We, as a Theatre Organ Society, are extremely fortunate to have such a wonderful instrument.

Thanks again for sharing your love of music with so many.

Ken Kline, Vice President
