October 2008

## From Sam's Desk

It's that time of year to look forward to the SVTOS season ahead. We have already passed the first excellent and informative "Showcase Program" presented by Wayne Zimmerman.

Membership renewal forms have already been mailed and results so far are good. A new benefit for current members is that, if you bring in a new regular member, your regular membership dues will be \$30. Keep this in mind.

It is also time to elect new officers for the 08/09 season. Present nominees are:

President -	Dusty Miller
Vice President -	Gary Collier
Treasurer -	Emmitte Miller
Secretary -	Roy Wainwright

If anyone would like to "throw your hat into the ring", you may do so at the October meeting. The floor will be open for additional nominations for all of the above offices. After all nominations are in, a vote will be taken to elect new officers.

Thanks for the great response to the before-movies sign-ups. Check out [Upcoming Events](#) on web site.

And sadly, we must send our condolences to Glenn Hough and his family on the loss of his 19 year-old son, Glenn Michael. All of us can sympathize with all of you on the loss of one of our children.

—Sam

**Now it's your turn!**

**(Open Console)**

Bring your music and have a chance to serenade everyone with your talents! This meeting is open to ALL members. Especially if you are a novice, you will have many good "coaches" around to help you sound good!

## **SVTOS E-NEWSLETTERS are COMING!**

**This is the last issue of the Windline to be mailed to all members!** Starting with the November Issue, we will **e-mail** the Windline in PDF Form to all members with an email address. This will get you the Windline days faster (and in color!).

For those without email addresses, we will continue to print, stamp and mail the Windline.

You can check out whether you will have a problem by going to:

**[www.svtos.org/Newsletters.htm](http://www.svtos.org/Newsletters.htm)** and opening up any of the prior newsletters. If your computer cannot read a newsletter, you may need to install ADOBE reader. Click on the link at the bottom of the ABOUT SVTOS page. Further problems? Email [webmaster@svtos.org](mailto:webmaster@svtos.org)

As you can understand, this will allow us to put more money into showcase programs, as well as save a few trees in the process.
