

Celebration

Celebration is the Central York High School showchoir - a co-curricular group that rehearses outside of the school day. This vocal ensemble is made up of students chosen by audition each September.

Celebration is often requested to perform throughout the area for various community, church, and school functions. They have toured and performed as far north as Connecticut, as far west as California, and as far south as Florida. *Celebration* has been selected to perform at Disneyworld on multiple occasions.

They host an annual showchoir festival for high school showchoirs and have consistently received Outstanding ratings.
