**From A Dusty Corner  
Thanks for a Job Well Done**

I have just listened again to *A Capitol Idea*—our latest CD featuring Ken Double at the Mighty Wurlitzer with the Bob Clay Orchestra. You may remember the show. It was September, 2006. And the 17 tracks on this new CD recapture those wonderful sounds of the organ along with the orchestra and folks like Skip Stine on trumpet. If you don't have one, be sure to pick one up at the next meeting. They are only \$15 for members.

But the purpose of this column is to express, on behalf of the entire club, sincere thanks to the members who made it possible. To Gary Collier for arranging the program with the artists and the

Strand Capitol Performing Arts Center. To Terry Nace for care and tuning of the organ and helping with the remake of some of the tracks. To Rick Zentmeyer for his professional-level work recording, editing and mastering the CD and

the album insert. And to Sam Groh who managed the process including cost estimates, licensing, communication with the artists and underwriting some of the cost. Thank you, gentlemen, for your extraordinary work. The product is a delight for all who hear it.

-Dusty
