HOWIE'S CORNER:

Our annual Christmas program was held at the Masonic Village in Elizabethtown, PA on December 10th at their Health Center. Six of our members performed various Christmas selections on their three manual Allen theatre organ. Judy Townsend also sang "Toyland" and was accompanied by Don Kinnier on the organ. The highlight of the evening is always the "Jingle Bell" finale where all of our members take part in ringing the bells. The residents and staff always look forward to this annual event and everyone had lots of fun.

We have open console days scheduled for Monday January 20th and Monday February 17th at the Capitol Theatre. All SVTOS members are invited to play the organ. If you would like to schedule some practice time on the organ, please contact Don Schoeps at 717-254-6097 or email him at dschoeps@aol.com.

Our next showcase will be on Monday March 10th and will feature young organist Dan Minervini from Massapequa, New York. Dan has been selected as the 2013 ATOS Theatre Organ Student of the Year. He has been a student of Jelani Eddington since 2009 and has demonstrated significant talent, interest, and improvement as an organist.

Dan was a finalist in last year's ATOS Young Theatre Organist Competition and has frequently attended the ATOS Summer Youth Adventure. He is also an active member of the New York Theatre Organ Society and regularly helps on the work crew to restore the 4/26 Wurlitzer at Long Island University. Dan is also serving as the Youth Representative to the ATOS Board of Directors and is an elected member of the NYTOS Board of Directors. I have heard Dan previously at one of the Summer Youth Adventures and at last year's ATOS Convention and I know you will enjoy hearing this talented young organist.

Thanks to some very generous SVTOS members, we have reached our \$500 Matching Scholarship Fund goal. Even though we have reached our goal, you may still continue to make your tax-deductible contributions to the Scholarship Fund. This is probably the most important program of ATOS to insure that we continue to have talented young theatre organists in the future. It also helps in the preservation of the theatre organ and its music.

We have had a very successful 2013 with many very talented organists and excellent programs. My New Year's wish is that 2014 will continue to be a successful year for SVTOS. Thank you to all who have contributed with your time, talents, and financial support to make SVTOS a successful organization.

Best Wishes for a Happy, Healthy and Safe NEW YEAR!
