SHOWCASE PRESENTATION

GLENN HOUGH

**Capitol Theatre, York PA
Monday, October 12th, 7:00 PM**

Starting to play at the age of four, Glenn has always had a passion for the piano. He has turned his passion into a fulfilling career. He started out by making his name known in the Quarryville, PA area, where he and his wife raised four children. He has played events ranging from weddings to holiday parties. Entertaining age groups from kindergarten to senior citizens, his specialty is classic standards, music from the 20's, 30's and 40's.

Along with the keyboard and piano, he has greatly enjoyed playing the Theatre Pipe Organ. For a span of eleven years he played for silent movies at the Marietta Theater. He has current memberships with the Susquehanna Valley Theatre Organ Society and the Dickinson Theatre Organ Society. Along with solo work, he has performed with a couple of country bands including Fiddlesticks and Big River. He used to play in Just the Two of Us with the late drummer and

singer, Joe Volk. In the past he also performed regularly at the Pennsylvania State Dairy Princess Pageant and currently performs at special events at Dickinson High School, Wilmington, Delaware, including the Nutcracker and 75th anniversary celebration of the organ. He plays for services at two area churches: Memorial Methodist in Quarryville, PA and Clearfield Methodist in Rawlinsville, PA.

With over forty years experience in the field of music, Glenn has given his all to playing joyful music that brings smiles to his faithful listeners. He also recently realized a dream when he purchased a house that has a 2/19 Welte theatre pipe organ installed in it.

After spending nine days in the hospital resulting from complications from a routine outpatient procedure, I am finally getting back to a normal daily routine. It only proves that there are risks with any surgery, but I am feeling better every day.

Our September video was very interesting and educational and our members enjoyed seeing the work being done on the Midmer-Losh organ in the Atlantic City Convention Hall. After the video, Terry Nace described the work being done to upgrade the relay and combination action for the Capitol organ. The work is taking longer than expected and Terry stated that the programming is more involved than anticipated. The end result, however, will be well worth the wait.

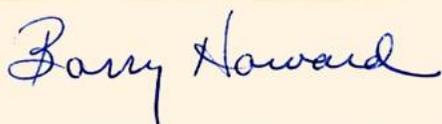

Our October 12th Showcase will feature our own Glenn Hough. It's been about three years since Glenn played for us and we're glad to have him play for us again this year. Glenn is well known throughout this area and is very busy playing at many venues.

We need to make a change in our November silent film program. Instead of having the film at the Allen Theatre on November 8th, we are moving the program to the Capitol Theatre on November 9th at 7:00 PM. The Allen Theatre has been closed for some renovations and to upgrade to a new digital projection system. Since no date has been announced for the reopening of the Allen Theatre, we made the decision to move the silent film to the Capitol. This program will not be open to the public but I encourage our members to bring along any guests who may be interested in seeing a silent film program accompanied by a real theatre pipe organ.

PLEASE NOTE: Dues are now payable for the 2015-2016 season, so if you haven't done so already please send the enclosed "Membership Renewal Form" to Roy Wainwright. Along with your dues, you may want to consider an additional donation to our Scholarship Fund. We've now exhausted our Scholarship Fund and need to replenish it for next year. Your additional donations may be tax deductible, but consult your tax professional.

We still have a few slots open for organists to play before movies at the Capitol (see schedule on Page 3). If you would like to play for one of the open dates, please contact Ken Kline at 717-564-7513 or email him at kkline3217@comcast.net.

See you on October 12th!
